2017 Roundball Winter Classic Tournament

February 10, 2017

On behalf of Surrey City Council, it is my distinct pleasure to welcome all the athletes, families and supporters to the 2017 Roundball Winter Classic Tournament.

The City of Surrey recognizes the tremendous value of being active and staying fit through sport and other community activities. We are committed to encouraging active living and physical fitness and we are proud to support these athletes.

Roundball has been an essential part of our community and has played an important role in mentoring young residents and providing them with the necessary tools to flourish in the game of basketball and in life.

The efforts of the Roundball community have been present in many initiatives they have undertaken in the past and I would like to commend their efforts in providing under privileged children the opportunity to change their lives through sports.

I would also like to thank all the staff, sponsors, and volunteers for their efforts in organizing and overseeing this event.

Thank you for supporting the Roundball community and I hope you all enjoy tonight's event.

Sincerely,

A handwritten signature in black ink that reads "Linda Hepner". The signature is written in a cursive, flowing style.
